

## **Press Release**

New Delhi, December 28, 2015

### **PFS sanctions loan aggregating to about Rs. 825 crores Focus to expand Company's portfolio in India's Renewable Energy Sector**

PTC India Financial Services Limited (PFS), a leading Infrastructure Finance Company, today announced that it has sanctioned loans aggregating to about Rs. 825 crores for providing financial assistance to power / infrastructure sector in India.

With the focus to increase its loan portfolio in clean energy projects in India, the Company's Board sanctioned loans in its meeting held on 26<sup>th</sup> December 2015. The fresh round of loan approvals will help Company further expand into renewable energy projects. The cumulative loan assistance sanctioned during the current financial year has reached about Rs. 4,330 crores as against Rs. 3,562 crores during comparative period of previous year i.e. April 2014 to December 2014. The projects assisted include an annuity based road project as per strategy of PFS for calibrated diversification.

**Dr. Ashok Haldia, Managing Director & CEO, PTC India Financial Services Limited (PFS)** said,

*"We are happy that the Company continues to expand its presence in financing of clean energy projects and has now also forayed into financing of an annuity based road project. This shall further help consolidate PFS' position as a leading institution financing renewable energy projects in India."*

#### **About PFS**

PFS is a non-banking finance company promoted by PTC India Limited. PFS has been granted the status of an Infrastructure Finance Company ("IFC") by the Reserve Bank of India. The Company offers an array of financial products to infrastructure companies in the entire energy value chain. PFS also provides fee based services viz loan syndication and underwriting etc.
